

**The 15th Annual Meeting of Asia Spine &
The 23rd Annual Meeting of Taiwan Neurosurgical Spine Society
July 6th~7th,2024 / The Lin Hotel, Taichung, Taiwan**

Agenda

July 6 th			
Time \ Location	International	Global	Centurial
09:00-09:10	Opening Ceremony (International)		
09:10-10:30	<p style="background-color: yellow;">Keynote Lecture 1</p> <p style="text-align: center;"><i>TBD</i></p> <p><i>Speaker: Patrick Hsieh</i></p>	<p style="background-color: yellow;">Symposium III New Technique</p> <p>1. Effective Modulation of Inflammation and Oxidative Stress for Enhanced Regeneration of Intervertebral Discs Using 3D Porous Hybrid Protein Nanoscaffold</p> <p><i>Speaker: Inbo Han</i></p>	<p>Oral presentation: Tumor</p>
10:30-11:00	Coffee Break		
11:00-12:00	<p style="background-color: yellow;">Keynote Lecture 2</p> <p style="text-align: center;"><i>TBD</i></p> <p><i>Speaker: Prof. Greg Cunningham</i></p>	<p style="background-color: yellow;">Symposium II Degenerative Spine</p> <p>1. Various posterior fixation techniques in craniocervical junction</p> <p><i>Speaker: Nobuyuki Shimokawa</i></p> <p>2. Vertebroplasty for Osteoporotic Vertebral Fractures - Current Status and Indications from the History of Treatment in Japan</p> <p><i>Speaker: Masahiro Kawanishi</i></p> <p>3. Management of Spinal Deformity in Parkinson's disease</p> <p><i>Speaker: Yoon Ha</i></p>	<p>Oral presentation: Adult and paediatric deformity</p>
12:00-13:10	Lunch Symposium	Lunch Symposium	Lunch Symposium

13:10-15:10	<p style="text-align: center;">Symposium IV Minimal Invasive</p> <p>1. Unilateral Biportal Endoscopic Lumbar Decompression: Redefine Art of Decompressive Surgery <i>Speaker: Chung-Kee Chough</i></p> <p>2. TBD <i>Speaker: Dong Hwa Heo</i></p> <p>3. TBD <i>Speaker: Cheol-Woong Park</i></p> <p>4. TBD <i>Speaker: Elazar Zelzer</i></p> <p>5. TBD <i>Speaker: Sung Bum Kim</i></p> <p>6. TBD <i>Speaker: Elmer Jose Arevalo Meceda</i></p>	<p style="text-align: center;">Special Lecture:</p> <p>1. TBD <i>Speaker: Pham Anh Tuan</i></p> <p>2. TBD <i>Speaker: Nguyen Dang Minh</i></p>	Oral presentation: Minimal Invasive Spine Surgery
15:10-15:30	Coffee Break		
15:30-17:30	/	Oral presentation: Patient safety, complications	Oral presentation: Pain management
18:30-21:00	Gala Dinner (Global)		

July 7th

Time \ Location	International	Global	Centurial
08:30-10:10	<p>Symposium I : Tumor</p> <p>1. Optimization in the surgery of spinal intramedullary tumors: From Benign to Malignant tumors <i>Speaker: Toshihiro Takami</i></p> <p>2. Current Trends in the Surgical Management of Intramedullary Tumors: A Multicenter Study of 1,033 Patients by the Neurospinal Society of Japan <i>Speaker: Toshiki Endo</i></p> <p>3. TBD <i>Petra Octavian Perdana</i> <i>Wahjoepramono</i></p>	<p>Special Lecture:</p> <p>1. TBD <i>Speaker: Kim Sung Bum</i></p> <p>2. TBD <i>Speaker: Jung Kil Lee</i></p>	<p>Oral presentation: Pain management & Infection</p>
10:10-10:40	Coffee Break		
10:40-11:40	<p>Invited Speakers TBD</p>	<p>Oral presentation: Trauma</p>	<p>Oral presentation: Infection</p>
11:40-12:10	General Assembly		
12:10-13:00	Lunch Break		
13:00-14:00	<p>Invited Speaker TBD</p>	<p>Oral presentation: Trauma</p>	<p>Oral presentation: Vascular</p>
14:50-15:00	Closing Remark (International)
